

6 March 2013

Dear Parent,

Following our acquisition of Schoolwear Oxford in February 2013, we would like to make you aware of the new online shop set up for parents to order uniform from.

The online uniform shop for your school has now been moved from www.schoolwearoxford.co.uk over to our website www.stevensons.co.uk for online purchases. Parents will need to register first on the new site to view prices and buy online. We aim to despatch all in-stock items next day.

Should parents prefer to buy in the shop in Summertown, Oxford, this is operating business as usual.

Customer Feedback

We want our customers to experience excellent service when shopping with us and love to hear feedback. If you'd like to tell us how we did, whether you shopped online or in store, please take 5 mins to take our short survey at www.stevensons.co.uk/feedback. All survey respondents will be entered into our iPad prize draw.

Yours sincerely

Mark Stevenson
Managing Director
